ANNUAL MEETING
AT PETERSBURG
S. A. L. Stockholders Transact Routine Business and Re-Elect Directors.

INJURED IN AUTO ACCIDENT
Matters of Interest Acted On by Council—Other News.

Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., November 9.

The annual meeting of the stockholders of the Seaboard Air Line Railway was held to-day in the principal office of the company, in this city. Those present were Judge Leigh R. Watts, G. W. Hutton and R. L. Nutt (treasurer), of Portsmouth; B. H. Inness Brown and Robert Lott, of New York; Mr. Boyce, of Baltimore, and William R. McKenney, of Petersburg. Judge Watts presided, and practically all of the common and preferred stock of the company was represented in person and by proxy. All of the acts of the board of directors and of the executive committee of the board during the past year were approved. The business of the meeting was mainly routine. The present board of directors was re-elected as follows:

Board of Directors.
James A. Blair, John B. Ramsay, F. Q. Brown, Norman B. Ream, Wallace B. Denham, Walter T. Rosen, H. H. Duval, Townsend Scott, Henry Jennings, S. Davies Warfield, L. F. Lore, George W. Watts, H. S. Mel drum, W. K. Whigham, J. William McDermott, John Skelton Williams, H. C. Perkins, B. F. Yeakum, and H. Clay Pierce.

Injured by Automobile.

This morning, as Mrs. Lottie LeMone Johnson was attempting to cross Sycamore, near Franklin Street, she was struck by the fender of an automobile which was being driven by J. M. Newcomb, Jr. The accident was unavoidable, and unfortunately Mrs. Johnson was not seriously hurt, though knocked down and considerably bruised. She did not see the automobile when she stepped from the sidewalk, and the car, which was running at moderate speed, was too close to her to avoid accident. Mr. Newcomb turned his car so as not to strike in full force, and she was only hit by the fender. Mr. Newcomb promptly stopped and rendered assistance, and Mrs. Johnson

was taken to her home on Friend Street.

Personal and Otherwise.
Miss Mary Johnson, daughter of Mr. and Mrs. W. H. Johnson, last evening celebrated her seventeenth birthday at her home on Grove Avenue. A large company of young friends greeted her and she was the recipient of many beautiful presents.

"The Young Man and His Ways" will be the subject of an address to be delivered in West End Baptist Church to-morrow evening by the Rev. A. H. Love. The meeting will be held under the auspices of the Men's Missionary Society.

Tobacco sales to-day were 26,000 pounds, wrappers bringing \$15 to \$20. There has been a fine season for handling this week's, and large receipts are expected next week.

The name of George Mason, of this city, the City Attorney, is prominently mentioned in connection with the successful campaign of Judge Watson.

Since the 6th of August, an account of the drought, the city has been supplied with water from the river. The reservoir is now well filled, and it is expected to have this water turned on in a day or two.

Council Proceedings.

While much of the business transacted by the common Council last night was of the usual routine character, one or two matters aroused some interest and discussion. The Council granted the Finance Committee further time in which to present the ordinance providing for a bond issue of \$15,000 for public improvement purposes, the committee not being yet ready to report details.

A petition signed by many owners of property on River, Old and Short Market Streets, was presented, asking for the improvement of the roadways and sidewalks of those streets, which was referred.

Councilman Charles W. Bland called the attention of the Council to the system of collecting taxes, and charged that something must be radically wrong about the system, when the books show delinquent taxes to the amount of \$226 in the last thirty years. He suggested that a committee be appointed to investigate the system, and where the fault exists, and report with recommendations. Mr. Bland said that if the city's taxes were rightly collected the city would be better off financially. President Wilcox and Mr. Bland were appointed a committee to investigate the system, and it is understood that the investigation will be thorough.

Collector Camp thinks that very little of these delinquent taxes, accumulating year after year, is collectable, and such probably is not the idea of the Council and its committee, but efforts will be made to correct the system and provide for better collections in the future.

Chairman Patterson, of the Finance Committee said that the financial condition of the city is better now than it was ever before.

Arousing Interest.

The question of adding another county to the Fourth District, when the reapportionment of the State is causing a great deal of interest in political circles, and there is division of opinion as to which county should be added. Some favor the addition of Southampton and some Chesterfield. The sentiment of the people of either of these counties, however, is unknown. Senator-Elect P. H. Drewry favors Southampton for several reasons, and thinks the people of that county will prefer being in the Fourth to the Second District.

Will Raise Fund for Orphanage.

[Special to The Times-Dispatch.]
Charlotte, N. C., November 9.—Many items of important business were presented to the Synod of North Carolina to-day, but the most important action taken was the beginning of a fund of \$50,000 to be used in making improvements at the Orphanage Barium Springs. The subject was presented by Hon. A. M. Seales, who declared that the orphanage affairs were not administered as they should be, but that the superintendent and board of regents were not to blame for this. The blame rests upon the Synod, and the churches it represented, he said. He presented statistics showing that, of the 166 churches in the synod, 100 contribute nothing toward the orphanage, 132 churches give less than \$100, and 204 churches give less than \$25. He spoke earnestly of the equipment needed in the orphanage building, and of more nourishing food needed. Other members of synod advocated the appeal of Mr. Seales, and \$15,000 of the \$50,000 was subscribed at once. An invitation was received from Alamance Church, in Guilford county, urging synod to hold the annual meeting of the body in 1913 with that church, especially as that meeting will mark the centennial of the first meeting of the synod.

A special committee was appointed to consider the invitation and report its decision at the meeting next year. The report on assembly's home relations was presented, and synod is requested to raise for that cause the coming year \$20,000, which, if secured, will be almost four times the amount contributed to this cause last year.

An overture was received from Fayetteville Presbytery, requesting that the territory included in the synod be divided equally into ten presbyteries instead of the present division into eight presbyteries. The overture was referred to the committee on bills and overtures. The contributions to foreign missions the past year amounted to \$12,507, showing a decrease from what was contributed last year, but there is an increase of about \$14,000 over the contribution of two years ago. The session of this evening was devoted to the consideration of home missions. Prior to the evening session a music recital by the department of music of the Presbyterian College was given in honor of the synod.

UNVEIL SHAFT TO OLD SOLDIERS
Address by Colonel R. E. Lee, Jr., Feature of Confederate Day at Lawrenceville.

[Special to The Times-Dispatch.]
Lawrenceville, Va., November 9.—To-day was Confederate Day at Lawrenceville, featured by the unveiling of the handsome Confederate monument.

Rev. R. H. Marks opened the exercises with prayer, which was followed by the singing of "Bonnie Blue Flag" by a selected number of the best home talent, but before it ended everybody joined in heartily with good effect. Following the singing came the unveiling of the monument, which was accomplished by the pulling of the strings by two granddaughters of the late Wm. F. Jones, the Misses Emma Field and Elizabeth Forbes Hicks. The band played and the crowd became very enthusiastic at the sight of the noble figure of a Confederate soldier in cold granite at the top of a well-modeled shaft.

Miss Lucy Meade Allen, a member of the local chapter, presented the monument in a clear-cut speech to the country, admonishing those in authority to watch over and care for it.

The chairman of the Board of Supervisors, Dr. T. J. Taylor, responded with a few appropriate remarks, accepting the monument in the name of the board.

The introduction of the speaker, Colonel R. E. Lee, Jr., by Captain C. T. Allen was done in a masterly way and duly acknowledged by Colonel Lee in his opening remarks, when he delivered his memorable address. Colonel Lee was frequently interrupted by vigorous applause.

The singing of "God Be With You Till We Meet Again" was joined in by all, after which Rev. A. P. Gray, Jr., closed the exercises with the benediction.

The veterans and their wives were given dinner at 12:30 o'clock.

Lynchburg, Va., November 9.—The Common Council to-night by a vote of 3 to 2 adopted an ordinance providing for a bond issue of \$50,000, the proceeds of which are to be used generally for street improvement. A hard fight was made to have the question referred to a special election. The ordinance was made before the Aldermen Tuesday night for concurrence, and a fight will be made there to refer it, but it looks as though it will get a bare majority as adopted to-night.
